

Visitor Welcome Center

Welcome to the St. Paul Lutheran Church of Zelenople website! We're so excited that you are visiting our site! We hope this information will inspire you to visit our church soon, as well.

We thought you'd like to know a little something about our service and our church. First of all, St. Paul Lutheran is one of the oldest churches around and was established in 1821. For a full history on St. Paul, please view the "About Us" section of the website.

Many people searching for a place to worship would like to know about the atmosphere and what to expect from one of our services before they attend. After all, we are all busy! Service begins at 10:15am and typically runs an hour, sometimes just a little bit more. We offer a traditional Lutheran service including communion on the first and third Sundays. Church is lead by our Pastor William Brewer, who has been our pastor since August, 1, 1989. Pastor has a love for music and theatre and will, occasionally, infuse some special music performances into his weekly service. You can view a sample weekly bulletin to get a really detailed idea concerning one of our services.

We are a small group consisting of approximately 70 families. And we would love to grow our St. Paul congregation because there is so much to do! We have several activities including Vacation Bible School for the 3-10 year olds which is held in the summertime, Horse Trading Days, the rummage sale, Sunday school for the little ones and a Youth Worship for our pre-teen age group, and many other activities in which St. Paul is involved.

As a member of our church, you can become as active as you wish....hopefully you will find your niche. Many new friendships are made here! We have our Church Council, Membership/Publicity Committee, Music and Choir groups, Willing Workers, our Food Cupboard project and other ways you can become involved and be part of the family at St. Paul Lutheran Church of Zelenople. Or you can just come and worship; it's up to you!

If you have any questions about our church or our service, please feel free to call us or send an email. Contact information is on our homepage.
